

WIMSIG Conference 2017: Celebration of Women in Australian Mathematical Sciences

24–26 September 2017

University of South Australia, City West Campus, Adelaide

<http://www.austms.org.au/WIMSIG-conference-2017>
 #WIMSIG2017

plenary speakers

Prof Kerrie Mengersen
 QUT

Dr Christine O'Keefe
 CSIRO

Prof Malabika Pramanik
 University of British
 Columbia, Canada

Prof Ami Radunskaya
 Pomona College, USA,
 and President of the US
 Association for Women
 in Mathematics (AWM)

12 Special Sessions

- Algebra and Discrete Mathematics
- Analysis and PDEs
- Biostatistics and Bioinformatics
- Cryptography, Coding and Compression
- Dynamical Systems and Fluid Dynamics
- Gender Equity and Diversity in Mathematics
- Geometry and Topology
- Industrial Mathematics
- Mathematical Biology
- Mathematical Physics
- Operations Research and Optimisation
- Statistics

Professional Development Workshop: Shameless Self-Promotion

By Dr Maria Gardiner from ThinkWell

Discussion Panel: Gender Equity Landscape in the Australian Mathematical Sciences

Travel Grants

Applications close at 5pm, Friday 25 August 2017.
 See the conference website for details.

Childcare will be provided
